

Our 54,000-sq.-ft. addition includes an acoustically engineered 500-seat auditorium. Specially designated Seats of Honor each display an individual plaque acknowledging the donor or the name of someone the donor wishes to honor.

For \$1,000, your plaque might celebrate the memory of a loved one or honor your parents, spouse, children, or company. Whatever designation you choose, your contribution will greatly aid in outfitting our auditorium. Over the years, these special seats with their plaques will continue to honor those who have contributed. We invite you to sit down and be counted among them.

There are a limited number of seats still available that will be sold on a first-come, first-served basis. Make your gift today.

For more information, please contact Sarah Gravely at 804.342.9682.
